Carol Doscher, President & CEO (Chief Encouragement Officer), has connected with audiences since she performed in Broadway's "Sweeney Todd." And it's not so far from the boards of Broadway to the boardrooms of America. Since founding Graceworks Inc. in 1995, she has trained hundreds of AEC professionals worldwide to make that vital "human connection" in sales presentations, client meetings and lectures. Having been featured in The New York Times and on Bloomberg television, Carol also has published numerous articles on presentation skills. Prior to her current work, she marketed design and construction services for many years.

Kurt Robbins, one of our most talented Freedom Finders, draws on his extensive communications background to help his clients connect with clarity, purpose and passion. He has trained hundreds of corporate professionals to make The Human Connection. In addition to working with Fortune 500 companies, he's also a professional actor, appearing in Films (A Beautiful Mind, The Portrait) and on stage (Les Miserables, Thoroughly Modern Millie). He currently performs around the world with The Unexpected Boys, a Frankie Valli & the Four Seasons tribute band.
