Presentation of 2015 AGCA Safety Awards

Presenter: Ken Simonson, Chief Economist, AGC of America

Program: Semi-Sweet '16 for Construction: More Work than Workers??

So far in 2015, construction activity has picked up in most of the country as the industry has added workers at twice the rate of the overall economy. But contractors report widespread difficulty filling key positions and owners fret about a dearth of bidders and subs. Ken will review the data, report on the latest AGC Workforce Survey and provide his outlook for 2016.

Presenter: Senator Galen Hadley, District #37, Speaker of the Legislature

Program: Memories of '15 Session and What Will be the Impact on '16???

Speaker Hadley will reflect on the highlights from last legislative session and share his perspective and insights for the coming 2016 session. Will we see tax relief? Will we find the magic formula to fund public schools? What will be the defining issues of the sessions? What will be the “hold-your-breath” moments?

Cost: Breakfast and program \$25.00 per person. **Co-hosted** with MCA-Omaha. **Register by December 7.**
