

HERE IS THE LINE UP FOR OUR WINTER 2016 SEASON:

Leadership and Motivation Unit #1 STP v 2.0

January 11 to February 6, 2016

Required webinars held Wednesdays 4:00-5:00pm CST

This course will describe the value of effective supervision of workers and improve the construction supervisor's ability to lead and motivate others. [Click here](#) for specific course topics.

Communication Unit #2 STP v 2.0

February 8 to March 5, 2016

Required webinars held Wednesdays 4:00-5:00pm CST

This course presents a body of knowledge and skills that today's construction supervisors need in order to be effective communicators on their job site. [Click here](#) for specific course topics.

Planning and Scheduling Unit #3 STP v 2.0

March 7 to April 16, 2016

Required webinars held Wednesdays 4:00-5:00pm CST

This course will help construction supervisors understand ways in which planning and scheduling saves time and money, while increasing quality in the construction process. [Click here](#) for specific course topics.

Participants are required to purchase a copy of the participant manual. Tuition cost is \$245.00 per participant and includes a hard copy of the participant manual OR a tuition cost of \$170.00 per participant and includes an e-Book download of the participant manual. The required participant manual for each course will be ordered for you by the Chapter office and shipped to the address you provide on the registration form.
