

# Supervisory Training Program ONLINE

HERE IS THE LINE UP FOR OUR WINTER 2021 SEASON:

## RISK MANAGEMENT AND PROBLEM SOLVING STP v 3.0

January 3 to January 30, 2021

Required video conference Wednesdays 3:30-4:30pm CST

This course will help construction professionals identify problems and how they occur and learn effective problem-solving techniques. [Click here](#) for specific course topics.

## IMPROVING PRODUCTIVITY AND MANAGING PROJECT COST STP v 3.0

January 31 to February 27, 2021

Required video conference Wednesdays 3:30-4:30pm CST

This course covers a good review of understanding how project estimates are compiled, how to compare actual project costs with those estimated and how to control costs to meet estimate.

[Click here](#) for specific course topics.

## PLANNING AND SCHEDULING STP v 3.0

February 28 to April 3, 2021

Required video conference Wednesdays 3:30-4:30pm CST

This course will help construction supervisors understand ways in which planning and scheduling saves time and money, while increasing quality in the construction process.

[Click here](#) for specific course topics.

Participants are required to purchase the textbook for each course. Tuition cost is \$295.00 per participant and includes the textbook. The required text for each course will be ordered for you by the Chapter office and shipped to the address you provide on the registration form. (Reduced price e-Book option available.)
