AGC's Project Manager Development Program 2nd Edition

The **Nebraska Building Chapter AGC** has partnered with the **Austin AGC** and the Austin office of **Procore** to host the NEW 2nd edition of [AGC's Project Manager Development Program \(PMDP\)](#). This training will be held online via Zoom video conferencing, Tuesday and Thursdays, October 6, to November 5, 2020.

This 2nd edition of the PMDP is designed to specifically meet the needs of today's construction industry. The curriculum combines activities and shared experiences to provide the necessary skills and knowledge to increase the participant's ability to work successfully with others to ensure project success. This recently updated 40-hour training was developed by AGC member company project managers for aspiring and new construction project managers.

The revised PMDP curriculum takes participants through the management of the entire lifecycle of a construction project, and contains the following five units:

- Unit 1: Introduction to Project Management
- Unit 2: Initiating and Planning, Part 1
- Unit 3: Initiating and Planning, Part 2
- Unit 4: Executing
- Unit 5: Monitoring and Controlling, and Project Closeout

This class is taught by Ben Ashburn who serves as a Construction Education Training Specialist in Procore's Austin office. Ben is originally from the St. Louis, MO area.
