Fall GC & SC Roundtable What's the Hazard live podcast

Join the live audience during 'What's the Hazard,' hosted by Doug Fletcher, CSP, CIH. Doug is the owner of Fletcher Safety Consulting, Inc., and a former Assistant Area Director for OSHA. His experience helps your organization identify the 'hows' of worksite safety – hazard assessments, site compliance audits, industrial hygiene monitoring, program development or enhancement and health training.

Guests are Casey Lenners-Sampson Construction, Ezra Schlect-Marsh McLennan Agency and Alex Rourke-White Castle Roofing

Following the podcast, attendees will work 'table topics,' of jobsite incidents, accidents or injuries.
