

Supervisory Training Program ONLINE

HERE IS THE LINE UP FOR OUR WINTER 2024 SEASON:

LEADERSHIP AND MOTIVATION STP v 3.0

January 7 to February 3, 2024

Required video conference Wednesdays 3:30-4:30pm CST

This course will describe the value of effective supervision of workers and improve the construction supervisor's ability to lead and motivate others. [Click here](#) for specific course topics.

COMMUNICATION STP v 3.0

February 4 to March 2, 2024

Required video conference Wednesdays 4:30-5:30pm CST

This course presents a body of knowledge and skills that today's construction supervisors need in order to be effective communicators on their job site. [Click here](#) for specific course topics.

CONTRACT DOCUMENTS STP v 3.0

March 3 to March 30, 2024

Required video conference Wednesdays 3:30-4:30pm CST

Contract documents and construction law course covers four central themes that are integrated and emphasized throughout the course and through activities used to demonstrate and practice skills. The themes include the construction professional's roles and responsibilities of the contracting parties; an understanding of how documents help to solve problems and resolve issues; provide a framework for jobsite processes and how to maintain a productive and positive relationship with all stakeholders in the project. [Click here](#) for specific course topics.

Participants are required to purchase the textbook for each course. Tuition cost is \$295.00 per participant and includes the textbook. The required text for each course will be ordered for you by the Chapter office and shipped to the address you provide on the registration form.
